As a community service provider, National Care Triage can provide social and welfare support services to the elderly, frail aged and the disabled to access the community and maintain an active and stimulating lifestyle.

OUR CUTTING EDGE SOCIAL AND WELFARE SUPPORT SERVICE OFFERS THE FOLLOWING:

- ✓ Empowers client to direct services tailored to their own requirements
- ✓ Provides opportunity for client to have greater choice and options in accessing services
- ✓ Allows client to maintain valued friendships and family relationships
- ✓ Assists client to remain active and involved in activities of their choice

OUR STAFF

All NCT staff are qualified and experienced in aged, community and the disability sector. We check the background of our staff by conducting reference checks and police checks. NCT takes the time to carefully match our carers to clients to ensure that the client is comfortable with the service that is provided.
